## President's Message

Wow what a fall! Congratulations to the Red Sox on their World Series win. We had lots of great nights, watching the Sox down at the club. If you weren't there you missed some good fun. Now we have the Pats to watch out for and the Celts and the Bruins. Let's see what they can do. Don't forget BC hanging tough. It is great when our teams do well. It gets everyone into the winning spirit.

The Sox played like a real team to accomplish their goals. When the veterans couldn't get it done, the rookies stepped in and played like veterans. We can learn a lot from this great club. We are going through a similar experience in our organization. We have some new blood filling in for the veterans and things are going great. When you have more people contributing on your team, things really get done.

Since we are all one big team, it is important that we have new or younger members filling in for the vets. As we stated in the past the veterans on our team have set the bar high pretty high. Now when it is most difficult for a few people to do the work of many, we need more active brothers. It is exciting to see the committees filling up. Everyone is getting involved. Brothers are stepping up when the usual starting line up is on reserve. We still need a few more players to fill out our starting line up. We are making great progress though in running our club like a team. Our team is working with a great roster.

The atmosphere is overwhelmingly positive in how we are getting more committee members. The committees are filling up and we have not even heard from members like you that want to help. For example all we need is one afternoon, or one day in cleaning up the club and/or grounds. That is what makes the difference and what helps the club survive. The friendship that develops during these work outings is contagious. It is also the best example of Unity as our motto and best practice at work.

Hopefully all our open committee spots will be filled up before the end of the year. Then with the start of the New Year we will be in full swing. Let's keep it going. Come to a meeting or a function and see how you can be part of a winning team.

As we start to head into the holiday season over the next few months, things can get very busy. It is important that we take time out this month to remember our veterans and members of the armed forces. Veteran's Day is right around the corner. So take some time to think about the freedoms that we enjoy because of the service that these men and women commit to our country.

One expression that always really struck a chord with me is "If you like your freedom thank a Vet." Please remember the sacrifices of the past as well as the present that make our country as great as it is today. Also especially remember our brother Hibernians that have served and are serving their country today.

Thank you, *President Leo Falter*

11/22/07- Building Meeting

12/2/07- Children's Christmas Party – Please note this earlier date for this year's party! The party will start at 2 pm. We need to make sure that we get all of the kids signed up as early as possible this year and will be passing a sign-up around at the Turkey Shoot. Since the party is the weekend after Thanksgiving, we need your help in ensuring you get the word out to your families about the sign-ups and the early date.

10/20/07- Past President's Night- It was a great event. If you weren't there you missed out on another good night at the club. Bobby Wallace was given a night he will always remember. He is a great Hibernian and a stand up guy.

11/1/07-Family Supper – What a show of Hiberniasm that night. This is where we showed everyone what this club can be and how we can come together. With the veterans on the sideline, brothers and sisters stepped up and filled in where needed. I was so proud of everyone. Come to our next Family Supper to experience this for yourself.
